

# Ordering ReportPlus 2012

**With uncertain budgets and the anticipated changes to the curriculum over the coming years...**

Many schools have requested a more flexible way to purchase and stay updated with **ReportPlus**.

We can now offer an annual plan which we believe is better value...

## ANNUAL BILLING PLAN

**A “no strings” annual contract which schools can choose to cancel at any time.**

This allows us to reduce our administration costs and forward plan to improve the service we offer.

### The benefits are:

- A low annual cost (fixed for the next 3 years)
- Unlimited year round technical support and help with any layout changes
- Automatic upgrades which include any new features
- A saving for an average school of around £230 over 3 years

### What happens after a year?

We send an annual renewal invoice for an upgrade and our year round full support service.

If a school wishes to cancel, they can continue with their current **ReportPlus** version (and may then choose to buy a standard upgrade at a later date)

## ReportPlus 2012

**ReportPlus 2012 which includes a full site license (home and school) and unlimited technical support throughout 2012**

OR

NB. Schools will then continue with the 2012 version but will not receive updates.

If you wish to order please complete the form overleaf and either fax or post this back to us.

**NB. If you order now we can delay invoicing until April if requested**

(This is who we will address the product and invoice to)

School Name \_\_\_\_\_ School Postcode \_\_\_\_\_

Please fax or post back this order form and we will invoice your school automatically
OR post this form with a cheque payable to ReportPlus.

Report layout help

We can help with your report design as we set up your account. Please send examples of how you would like your reports to look (use modified existing reports and sketches to illustrate the changes you require) with your order.

We will advise you by phone if your requests are not possible before proceeding with your order.

NB: You may include an LA order form if you wish.
